Page 1 — Introduction to Copenhagen

Overview

Copenhagen is the capital city of Denmark and one of the most visited cities in Scandinavia. The city is known for its clean streets, bike-friendly infrastructure, sustainable urban design, historic architecture, modern Nordic cuisine, and high quality of life. Copenhagen combines old royal history with modern design, technology, and culture.

The city is located on the eastern coast of the island of Zealand and partly on the island of Amager. Copenhagen is connected to Malmö in Sweden by the Øresund Bridge.
